Why to study history?

The role of memory

To know the past
for understanding the present

How to study history?

The method

The main goal of historical study: to know, to understand, not to judge

Identity is a normal element of human selfbelieving

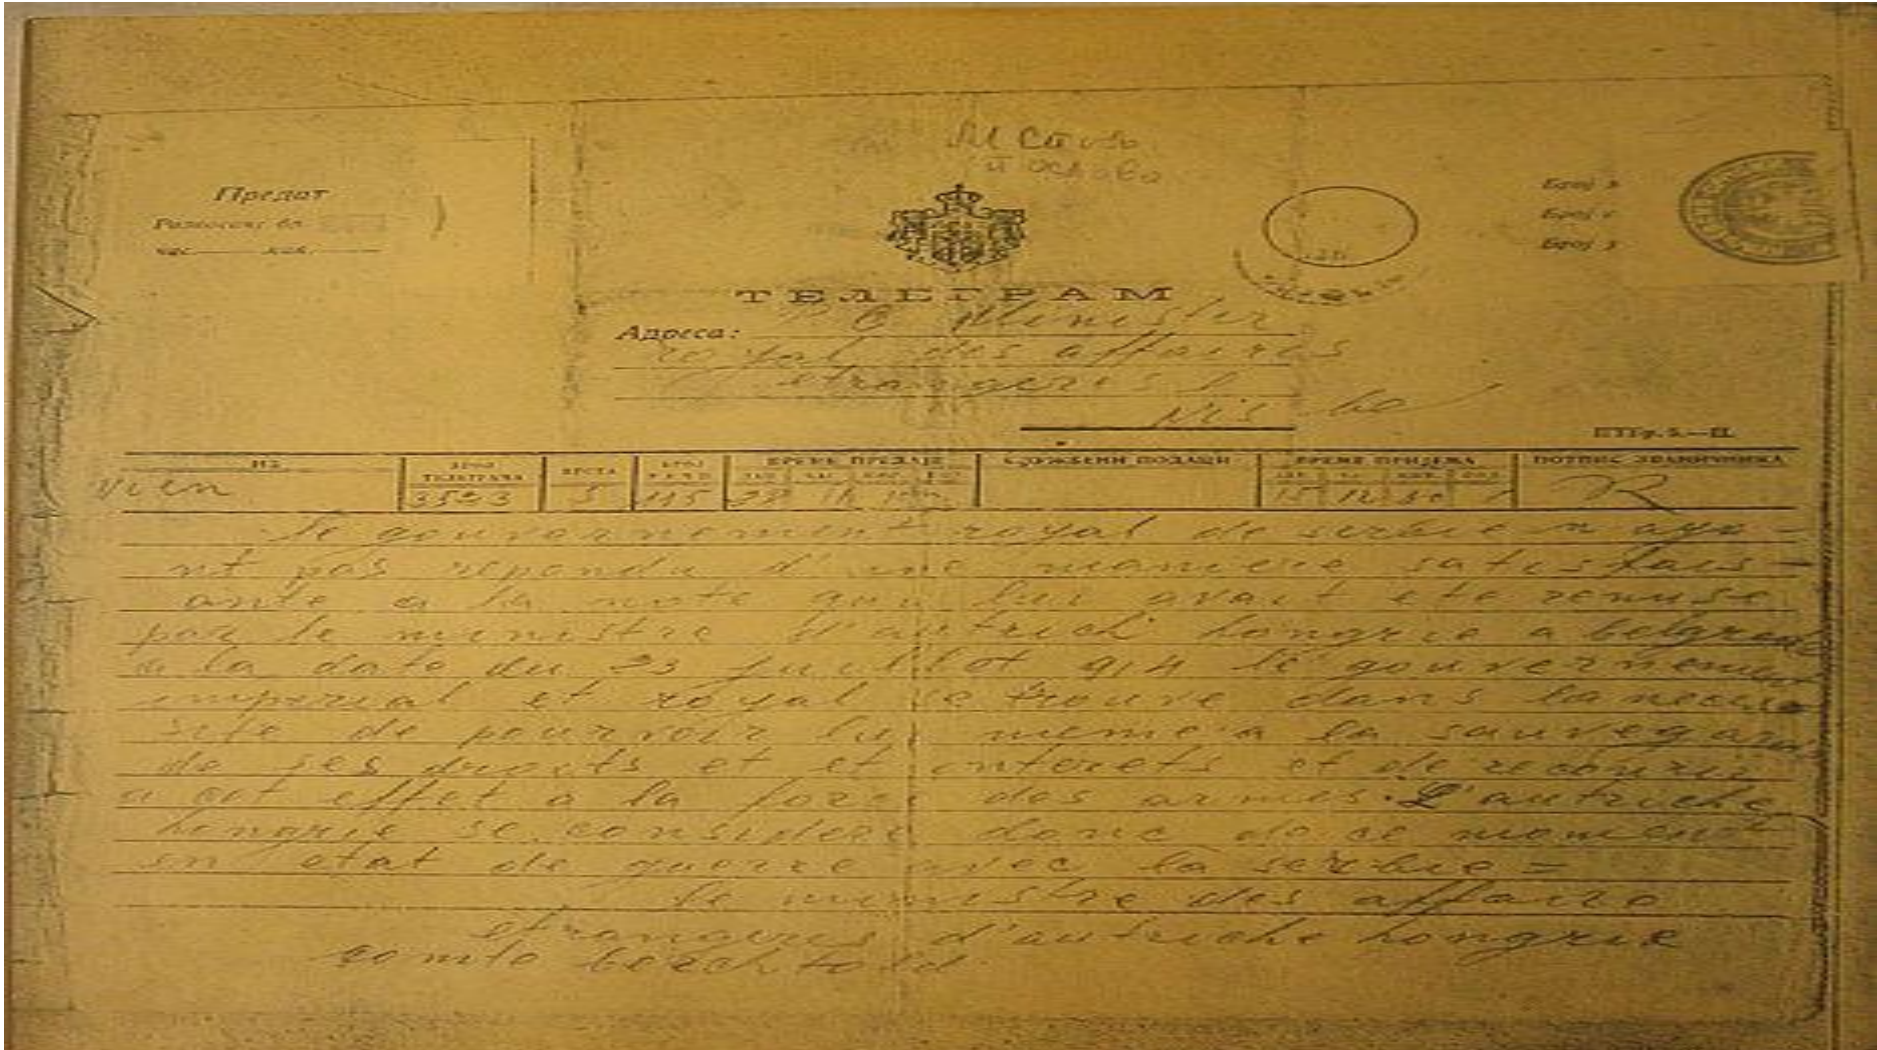

The problem is when there is a shift into prejudice

Historiographical traditions

- Ancient origins of the past study
- Modern historiography, role of L. von Ranke and of the XIX century historiography
- The french historiographical revolution: from M. Bloch to F. Braudel
- Recent tendencies
