

Exam Information

The exam format is similar to that of the PET (B1) exam, Reading and Writing sections.

- There will be 4 reading exercises, based on Parts 1, 2, 3, and 5 of the PET exam (no Part 4). (Please note that Part 1 has 5 questions but my sample here gives only 3.)
- There will be 2 writing exercises, based on Part 1 (rephrasing) and Part 2 (an email/letter).

For Extra Practice

Please see my program for sources to prepare for the exam. The textbook (J. Quintana, *PET Result: Student's Book & Online Workbook*, Oxford University Press, 2010) and the link www.examenglish.com are especially recommended.

Note

The exercises in this folder are from Hashemi L. and Thomas B., *PET Practice Tests: Plus 1*, Pearson Education Limited, 2003.
