PEER REVIEW

Now it's time to read your partner's writing and give some feedback. Some guidelines.

1. Keep it positive.
2. Ask questions rather than give orders.
3. Use simple symbols.
4. Give compliments. Think about what you learned from the reading and how you can use it in your writing.

Class discussion and conclusion.

Remember to check moodle and complete your feedback forms!

Have a great weekend and we'll see you on Wednesday!
