PROSSIMO FOGLIO**

Parte B: TRADUZIONE in italiano di un breve testo in lingua inglese

The extent to which governments will go to “defend” their borders shows how hot a political topic migration has become in the west. Nor is it just the case in the US and UK. Sweden and Germany have seen the emergence of anti-immigration parties in recent years. In the case of the UK, net migration – the numbers arriving minus the numbers leaving – has been positive for the past three decades. (*The Guardian Weekly*, 7 April 2023)
