## NOTE TECNICHE

Su ogni composizione è obbligatorio l'inserimento di un fondale strutturale.  
Per composizioni molto lunghe, ogni 3 metri deve essere previsto un fondale strutturale.  
In caso di composizioni con angoli, il fondale strutturale deve essere previsto su ogni lato.

## TECHNICAL NOTES

A compulsory back panel must be placed on each composition.  
For long composition, each 3 meters must be placed a compulsory back panel.  
In case of corner compositions, the compulsory back panel must be placed on each side.
