

# Past simple (I did)

A

Study this example:

Wolfgang Amadeus Mozart **was** an Austrian musician and composer. He **lived** from 1756 to 1791. He **started** composing at the age of five and **wrote** more than 600 pieces of music. He **was** only 35 years old when he **died**.

**Lived/started/wrote/was/died** are all *past simple*.

B

Very often the past simple ends in **-ed** (*regular verbs*):

- I work in a travel agency now. Before that I **worked** in a department store.
- We **invited** them to our party, but they **decided** not to come.
- The police **stopped** me on my way home last night.
- Laura **passed** her exam because she **studied** very hard.

For spelling (**stopped**, **studied** etc.), see Appendix 6.

But many verbs are *irregular*. The past simple does *not* end in **-ed**. For example:

- |                      |   |
|----------------------|---|
| write → <b>wrote</b> | <input type="checkbox"/> Mozart <b>wrote</b> more than 600 pieces of music. |
| see → <b>saw</b>     | <input type="checkbox"/> We <b>saw</b> Tanya in town a few days ago.        |
| go → <b>went</b>     | <input type="checkbox"/> I <b>went</b> to the cinema three times last week. |
| shut → <b>shut</b>   | <input type="checkbox"/> It was cold, so I <b>shut</b> the window.          |

C

In questions and negatives we use **did/didn't** + *infinitive* (**enjoy/see/go** etc.):

I she they	<b>enjoyed</b> <b>saw</b> <b>went</b>	<b>did</b>	you she they	<b>enjoy?</b> <b>see?</b> <b>go?</b>	I she they	<b>didn't</b>	<b>enjoy</b> <b>see</b> <b>go</b>
------------------	---	------------	--------------------	--	------------------	---------------	---

- A: **Did** you **go** out last night?  
B: Yes, I **went** to the cinema, but I **didn't enjoy** the film much.
- 'When **did** Mr Thomas **die**?' 'About ten years ago.'
- They **didn't invite** us to the party, so we **didn't go**.
- '**Did** you **have** time to do the shopping?' 'No, I **didn't**.'

In the following examples, **do** is the main verb in the sentence (**did ... do / didn't do**):

- What **did** you **do** at the weekend? (*not* What did you at the weekend?)
- I **didn't do** anything. (*not* I didn't anything)

D

The past of **be** (*am/is/are*) is **was/were**:

I/he/she/it	<b>was/wasn't</b>	<b>was</b>	I/he/she/it?
we/you/they	<b>were/weren't</b>	<b>were</b>	we/you/they?

Note that we do not use **did** in negatives and questions with **was/were**:

- I **was** angry because they **were** late.
- Was** the weather good when you **were** on holiday?
- They **weren't** able to come because they **were** so busy.
- Did you go out last night or **were** you too tired?
