

structures after wish

wish + would / wouldn't

I wish cyclists **wouldn't cycle** on the pavement! (3 15))
 I wish you'd **spend** a bit more time with the children.
 I wish the bus **would come**. I'm freezing.
 I wish you **wouldn't leave** your shoes there. I almost fell over them.

We use *wish* + person / thing + *would* to talk about things we want to happen, or stop happening because they annoy us.

- You can't use *wish* + *would* for a wish about yourself, e.g. NOT *I wish I would...*

wish + past simple or past perfect

- 1 I wish **I was** ten years younger!
 I wish **I could** understand what they're saying.
- 2 I wish **I hadn't bought** those shoes.
 I wish **you'd told** me the truth.

(3 18))

- 1 We use *wish* + past simple to talk about things we would like to be different in the present / future (but which are impossible or unlikely).
 - After *wish* you can use *was* or *were* with *I, he, she, and it*, e.g. *I wish I was / were taller*.
- 2 We use *wish* + past perfect to talk about things that happened or didn't happen in the past and which you now regret.

If only...

We can also use *If only* instead of *I wish* in all these structures, e.g. *If only he'd hurry up!* *If only I had a bit more money.* *If only she hadn't told him about the affair!*

a Write sentences with *I wish...would / wouldn't*.

It annoys me that... you don't put away your clothes.

I wish you'd put away your clothes!
