Overview

When?

- **03.-09.08.2025 DAQ Training and technical challenge**

Where?

Dewesoft HQ, Slovenia, with accommodation at the [SPA Pool Hotel Rimske](#)

Who?

- (Bachelor), Master or Doctoral degree level STEM study fields students - electrical, mechanical, computer engineering, mechatronics, aerospace, AI, physics, mathematics;

What?

- **Intense theoretical and practical in-house training** organized and sponsored by [Dewesoft](#) with focus on hands-on experience and competitive challenge between participating engineers from different European countries.

Why?

- Step out of theoretical framework, **get in touch with real field work** and seize the opportunity for networking with top engineers of the measurement world that will change your career path and life

Prerequisites?

- Before the event, you should complete at least [10 ONLINE PRO Training](#) sessions that give you a free T-shirt
- Successfully perform measurements with Dewesoft equipment and write a **case study or application note**; to rent the Dewesoft equipment and prepare a paper, contact the event coordinator and/or Dewesoft office in your country.

Logistics & Costs?

- Arrival and all transfers should be covered by students and/or faculty.
- Dewesoft covers the costs of:
 - ⇒ In-house training in English with top experts from various metrology application fields
 - ⇒ Training equipment and technical challenge material
 - ⇒ Accommodation, breakfast included, lunch and coffee, water, fruit, and snacks, team building event and Award Ceremony conclusion party with dinner

1 CALL FOR PAPERS

You are invited to submit your paper to apply for participation at the Dewesoft International Summer Camp 2025. Papers should be written in English, the official language of the event.

- Event dates: **03.-09.08.2025**
 - 03.08. arrival day
 - 04.-06.08.** 3-day DAQ training
 - 07.-08.08.** 2-day Technical Challenge, Conclusion Event
 - 09.08. Departure day

1.1 ACCEPTABLE PAPER TYPES

Requested papers are meant for a general audience - not an academic audience - and should be structured as Case Studies or Application Notes rather than typical scientific papers.

A wide selection of examples is available in the [news section of our website](#)

2 PAPER SUBMISSION

- Paper submission deadline: **01.05.2025**
- Papers should be submitted online only at:
 - riccardo.petrei@dewesoft.com
 - davide.carniani@dewesoft.com
 - summer.camp@dewesoft.com
- Each applicant can only contribute one paper.
- All papers must be submitted and presented either in English and Italian.
- Papers can be within any application field and in one of two listed forms - case study or application note.
- Papers may not be shorter than six and longer than eight pages.
- If you have any problems during the submission process or do not receive any confirmation by email please contact us at above listed HQ contacts or Dewesoft team in your country.
- After paper submission corrections are not possible.
- The notification of acceptance/rejection of the paper submitted will be sent to you via email by 30.05.2025 deadline.

3 ACCEPTANCE AND REGISTRATION

- Notification of Acceptance/Rejection: **30.05.2025**

If your paper has been accepted, you should submit your Final Paper. A customized template of the Final Paper will be provided to you after the acceptance.

- Final paper submission (if required): **10.06.2025**
- Attendance confirmation and registration: **10.-30.06.2025**

Contributions will be published on the Dewesoft website and other Dewesoft online platforms, or used in printed marketing or promotional material. By submitting your paper you agree that the company Dewesoft has a right to copy and distribute the submitted paper maintaining references of the author and other contributors.
